

944 FM 2200 W Devine, TX 78016

Dear Parents,

We are excited that your child will be visiting our farm for a field trip very soon! We want to invite you to attend and enjoy a day of fun and learning on the farm! Devine Acres Farm is a 44-acre agri-entertainment Christmas tree farm open for three seasons: fall, Christmas, and spring.

Hours: The field trip will begin between 9:30-10am and ends at approximately 1:15pm. The farm closes at 1:30pm.

Admission Fee: Admission is \$12 per person for parents and siblings (two and under are free). Please come to admission upon arrival to pay your admission, pre-order your lunch and receive your required wristband. Teachers will not collect parent money. Parents are required to pay upon arrival. We **DO NOT** pre-sale tickets online for weekday field trips.

Lunch: You are welcome to bring a lunch or purchase something from our menu. We have 3 options to choose from and they are \$10 each:

- 1- 8" pepperoni pizza
- 2- Chicken salad croissant & chips
- 3- Nathan's all beef hot dog & chips

*We ask that you pre-order your lunch when you pay your admission to guarantee availability.
Drinks are available for purchase at The Filling Station.*

Parking:

Parents will park in one lot, the buses park in another lot. Please do not go into the parking lot where the buses park as this is the time teachers need to unload, get organized and have the students undivided attention.

Parent Participation:

You are welcome to join your child for every part of the field trip except for the hayride. The hayride is a big part of the educational component of the field trip, therefore we want to have the students undivided attention (plus space is limited on the trailers). Enjoy this time to shop, grab a coffee or relax!

Helpful Info: Please make sure that everyone **dresses for the weather** as all activities are outdoors. Close toes shoes are recommended.

FOOD, DRINK & SHOPPING!

- **The Homestead** has specialty coffees, fresh baked cookies, roasted nuts, homemade breaks and delicious donuts made daily on the farm. You can even take some to go!
- **Scoops & Grins:** we offer hand dipped Blue Bell ice-cream and hand spun shakes!
- **The Mason Jar** is the place to shop for souvenirs, kid toys, books, holiday décor, candles & more!

Forms of Payment: We accept cash, Visa, MasterCard, Discover and American Express.

IMPORTANT INFO REGARDING DETOUR DUE TO A BRIDGE OUTAGE:

There is a bridge out on the main road leading to the farm therefore a detour is necessary.

If you follow the official TXDOT detour it will take you an additional 30 minutes.

Here is our recommendation:

- Take Exit I22 off I 35 and go right on highway 173.
- Travel 2.8 miles and take a left on CR 761 right before Black Creek Bar & Grill.
- Travel 1.3 miles and turn left onto CR 764.
- Travel .9 until you reach FM 2200. Then take a left.
- The farm will be approximately one mile down 2200 on your left.
